

from bowl to soul

since we first opened our doors in 1992, wagamama has been an eating house for the soul, serving up balanced bowls of modern asian soul food to our communal benches

our menu takes inspiration from across asia. from japan's ramen shops, to korea's canteens, and thailand's night markets. experimenting with flavour and texture, our bowls are flavour-packed, nutritious and satisfying. because we believe in positive eating for positive living. seeing food as nourishment. energy. the thing that punctuates your day, and what you look forward to after a long one. food is a shared moment of joy with the ones we love. and the fuel that keeps us energised and engaged in life

that's why we made it our mission to create nutritious, fresh bowls that leave you feeling rejuvenated, optimistic + restored. allowing you to nourish yourself completely. **from bowl to soul**
